School Mission and Goals

The Chaparral community challenges students in an interactive learning environment that values individual differences and provides opportunities to realize their potential. This environment develops critical thinkers, effective communicators, and responsible citizens who are lifelong learners and active participants in the creative process as members of an increasingly complex society.

On Campus Incidents 32

To ensure a safe and healthy learning environment at Chaparral High School we have a full time SRO and six full-time security personnel. Additionally, we have an emergency response plan that was developed in conjunction with Scottsdale Police Department and the Federal Emergency Management Agency. The entire staff was trained in the implementation of this plan and key members of our incident command structure are also trained in the Federal Emergency Management System developed by the Department.
